SUMMER HOLIDAY'S HOMEWORK

SESSION: 2025-2026

CLASS – V

My name is:

_____

Summer Vacation is probably the best time of the year for you all; it's time for loads of fun, though we can't go out but getting pampered to no end and of course bonding with distant cousins can be done virtually.

School is fun too, with learning happening at all times, summer vacation can also be a time for learning with lots of activities around.

Here are a few tasks for you to complete during the vacation. Do remember to complete the given tasks after reading them carefully.

Some Tips to make this holiday special:

- Have a family dinner every day of the holidays.
- Play board games with your parents and siblings and show them who is the smartest.

Spend some quality time with an elderly person in the family

Note : Do assignments in the respective subject register.

Do activities of all the subjects in project file.

ENGLISH

ASSIGNMENT

Q1 Read the passage carefully and answer the following questions.

The Rann of kutch in Gujarat is the India's largest salt marsh. Salt marshes are grasslands along the sea coast which get flooded by seawater. The Rann of kutch is made up of the great Rann and the little Rann. It has desert on one side and the sea on the other. The great Rann is the larger part of the Rann. From May to October, the Rann gets flooded and the largest becomes full of wildlife. Around 200 species of birds, including flamingos, cranes, stroks, bustards as well as the Indian wild ass are found here. Many reptiles, including the Indian monitor, live here too.

The Rann is also where 75% of India's salt comes from. Salt farmers have lived and worked here for centuries to make salt from the sea water. It is also home to the Rabari, a hurding community that often moves from place to place. They keep camels, sheep and goats. They are also known for their embroidery work.
